

Join the AUK Webinars this September

There is a small donation requested for some of the webinars.

Webinar 1 - 'Ask the Alopecia Experts: a Q&A webinar'

Join Alopecia UK team members, Jen Chambers and Amy Johnson, for this hour-long webinar (hosted on Zoom) as part of our 'Get Talking Week' in Alopecia Awareness Month 2021.

Jen and Amy will be joined by expert guests; Dr Matthew Harries (Consultant Dermatologist), Zoë Passam (Trichologist), Dr Ingrid Wilson (GP and Trichologist) and Professor Simon Milling (Alopecia UK's Research Committee Chair), who will be answering questions about all things alopecia!

Webinar 2 - 'Ask the Alopecia Community: a Q&A webinar'

Join Alopecia UK Trustee, Damian Hamber as he hosts this hour-long webinar (hosted on Zoom) as part of our 'Get Talking Week' in Alopecia Awareness Month 2021.

Damian will be joined by a number of guests from the alopecia community who will be answering questions about all things alopecia!

Webinar 3 - 'Learning to live well with alopecia'

Join Alopecia UK Charity Development Manager, Jen Chambers and long standing Alopecia UK supporter, Sue Schilling for our '*Learning to live well with alopecia*' webinar (hosted on Zoom) as part of our 'Wellbeing Week' in Alopecia Awareness Month 2021.

Between them, Jen and Sue have over sixty years of lived experience with alopecia. During this webinar Jen and Sue will touch on the highs and lows of living with alopecia. The loss, the pain, the support and those ridiculous moments like finding yourself drop rolling behind the sofa when the doorbell rings and you're caught out without a wig on!

Webinar 4 - 'Supporting the wellbeing of a child with alopecia'

Join Alopecia UK's Psychological Wellbeing Lead Kerry Montgomery as she interviews Clinical Psychologist Dr Catherine Wright as they look at ways of managing the emotional wellbeing of children with alopecia. This hour-long webinar (hosted on Zoom) is part of our 'Wellbeing Week' in Alopecia Awareness Month 2021.

Kerry and Catherine will talk about how we can support young people with alopecia who may be struggling with anxiety and low self-esteem and how to open up conversations about emotions.

Webinar 5 - 'Getting to the roots of alopecia areata'

Join Alopecia UK's Research and Liaison Manager Julie Clayton as she is joined by guests Professor Des Tobin and Professor Simon Milling for our hour-long webinar 'Getting to the roots of alopecia areata' (hosted on Zoom). This webinar is part of our 'Research Week' in Alopecia Awareness Month 2021.

Julie, Des and Simon will be aiming to answer the following questions:

- What do we know about alopecia areata?
- What causes alopecia areata?
- What is happening in alopecia areata research and what is on the horizon?

Webinar 6 - 'Treatments and Alopecia Areata'

Join Alopecia UK's Research and Liaison Manager Julie Clayton as she is joined by guests Professor Andrew Messenger, Dr Melinda Gooderham and Dr Abby MacBeth our hour-long webinar 'Treatments and Alopecia Areata' (hosted on Zoom). This webinar is part of our 'Research Week' in Alopecia Awareness Month 2021.

Julie, Andrew, Melinda and Abby will be exploring the following:

- What can a GP or dermatologist offer someone with alopecia areata?
- What are the currently available treatments for alopecia areata?
- What new treatments are looking promising in clinical trials?
- Why does it take so long for new treatments to be available to UK patients on the NHS?
