

Happy New Year Everyone

2020 marks a fresh start for Alopecia Ireland

As you know, Alopecia Ireland is run by volunteers who give their time and personal experience to support others on their journey with this condition. We are making a few changes which we hope will improve our relationship and involve more people.

If you think you would be able to help, please let us know.

We have four meetings planned.

Where?

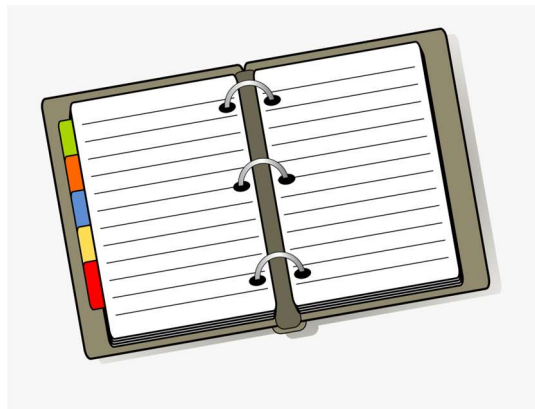

Brady's of Castleknock - easy access from the M50.
